HORSE FELL ON HIM.

William Loveless Loses Part of Right Foot as a Result.

William Loveless of Payson is at the Groves L. D. S. hospital, where this morning Dr. Baldwin amputated part of the right foot. Mr. Loveless was riding his horse when the animal stumbled and fell, breaking his foot in such a manner that amputation became necessary. The operation was in every way successful, and the gentleman is now doing well, although it will be some time before he will be able to leave the hospital.

HORSES WORKING OUT.

String of Runners Are Getting Ready For Four Days' Meet.

The program for the proposed four days' horse racing at Calder's park beginning on Friday afternoon has not been announced by the management as yet. It is stated, however, that a good string of fast runners are working out daily. The string includes the Went-worth, Ryan and Armour stables. The management is anxious for the public to go down to the track and "get a line" on the horses. It is predicted that fast time will be made, in view of fact that the horses are being worked out every day to get them in good shape.

AFTER SANDY MAN.

Said to be in Salt Lake With a Woman Not His Wife.

Bingham, Aug. 2 .- The papers calling for the arrest of Niel Sanderson, for deserting his wife and family at Sandy to spend his money on another woman, officers immediately set out to locate Sanderson, but up to noon he could not be found. It is known that he is employed in one of the mines here, and that the woman with whom he lives is not a Bingham resident, but is a Sait Lake woman. He is supposed to be in Sait Lake with her now and the search will be transferred to Sait Lake this afternoon.

(Special to the "News.") Bingham, Aug. 2,-A delightful shower fell this morning through Bingham and vicinity. Reed T. Cannon Not Expected to Sur vive the Day.

cally ill at the home of his mother, Mrs. Eliza L. T. Cannon, on Cannon farm. His condition is such that but

slight hopes are entertained for his re-covery. Mr. Cannon has been ill for two years, but not until recently did his condition become alarming, com-plications arising which affected his heart and made recovery, so far as medical skill is concerned, well nigh impossible. This afternoon he was not expected to survive the day. Mr. Cannon is 30 years of age and has a wife and two children, besides a host of relatives and friends who will be shocked to hear of his condition.

KILLED BY A TRAIN.

Dead Body of Unknown Man Found on San Pedro Track.

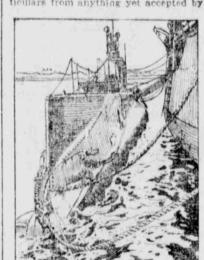

(Special to the "News.") Provo, Aug. 2.-This morning a Mr. Clinger of Lakeview telephoned Sheriff Harmon that the dead body of an unknown man had been found on the San Pedro track, at a point known as the Lakeview crossing, five miles north of Provo. The body was terribly mangled, and it was evident that it had been dragged a considerable distance, as the clothes of the unfortunate victim were orn into shreds. The man was poorly lad, has a brown moustache and is about 35 years of age. A letter found in a frog a short distance from the body and dated Grand Junction, Colo., July 21, or some date after the 20th, bore the signature of Louis Braun, Fruita, Colo., and in case of non-delivery was to be returned to C. O. Rasmussen, Progress Grocery & Bakery,

Grand Junction.

Nothing has been learned concerning the identity of the man nor the exact manner in which he came to his death. It is thought, however, that he either fell from the train or was struck by it while walking along the track. There was no money on the man's person, but a small bottle of whisky was found in one of his pockets.

A NEW BRITISH SUBMARINE.

The drawing shows one of the new submarines ordered by the British naval authorities and recently launched at Portsmouth. It differs in many particulars from anything yet accepted by

the admiralty and is the first to be built. The deck of this type of submarine, as may be seen in the cut, when awash is at a considerable height above the water. The most striking innovation, however, is in its size. In length it approaches the dimensions of a destroyer.
